

Bottled Water Cooler

The PACIFIK

The Pacifik is an ultra modern cooler equipped with the latest technology, including hi-flow faucets and a removable, dishwasher-safe stainless steel reservoir (rt/cold unit only). Compressor cooled for high capacity refrigeration, this commercial grade cooler has an adjustable cold water thermostat and built-in universal no-spill system.. The exterior is made of a very strong blow molded polyethylene, proven to be highly scratch resistant. It uses standard 3 & 5 gallon bottles that rest securely in a snug holder, allowing for effortless replacement. The sleek matching cover conceals the water bottle enabling the unit to blend in beautifully in a variety of settings.
