

Bottled Water Cooler

The CELSIUS

The very popular and strikingly beautiful Celsius bottled water cooler comes in Fluted Brushed Aluminum or Powder Coated Black. With a stunning outer-cabinet design, the Celsius adds a perfectly subtle hint of flair to any interior room environment, whether an executive office or residential kitchen. The unit uses a standard 3 or 5 gallon bottle that rests securely in a snug holder allowing for effortless bottle replacement. The matching cover conceals the water bottle enabling the unit to blend in beautifully in a variety of settings. Compressor cooled for high capacity refrigeration, the commercial grade Celsius has an adjustable thermostat and a built-in universal no-spill system.
