

# Bottled Water Cooler

## The CELSIUS Countertop Water Cooler

The very popular and beautiful Celsius Countertop bottled water coolers come in Fluted Brushed Aluminum or Smooth Powder Coated Black. With a stunning outer-casing design, the Celsius adds a perfect and yet subtle hint of flair to any interior room environment, whether an executive office or residential kitchen. The unit fits a 3 or 5 gallon round bottle that rests securely in a snug holder allowing for effortless bottle replacement. The **optional** matching cover conceals the water bottle enabling the unit to blend in beautifully in a variety of settings. Compressor cooled for high capacity refrigeration, the commercial grade Celsius has an adjustable cold water thermostat and a built-in universal no-spill system.
