

Bottled Water Cooler

The S2

The incredibly sleek S2 Stainless Steel water cooler, with it's timeless and yet dynamic presence, can enhance any interior environment, from traditional to ultra-modern decor. The simplistic design of high-grade Stainless Steel combined with clean lines and smooth curves creates a stunning water appliance that represents the absolute top of the line in water coolers! Compressor cooled for high capacity refrigeration, this commercial grade water cooler has a Stainless Steel reservoir and adjustable thermostat. The S2 is handcrafted in 304 gauge stainless steel with a matching bottle cover.
