#### INSTALLER NOTE

This drinking fountain is furnished with a bubbler and valve including all connecting fittings which are manufactured of completely lead free material. Shut off valve (not furnished) to accept 3/8" O.D. unplated copper tube.

**WARNING:** The free-resistant box must be installed on an interior heated wall where the temperature does not drop below 50° F (10° C). The front of the box must have unobstructed air flow. Failure to maintain the interior wall temperature and the inside of the freeze resistant box above 50° F (10° C) can result in damage to the box which could result in unrestricted water flow.
